⑤ Watch Charger

⑥ Base Charger (Earbuds)

⚠ Safety Precautions

Operating Temperature :
- It is recommended to operate OneGo at temperatures below 26°C
- OneGo may naturally warm up during operation
- High temperatures can impact charging speed due to safety measures in the onboard protection circuitry

Charging Guidelines :
- Please ensure that OneGo is fully charged before charging other devices
- When charging an iPhone with a phone case, use only MagSafe compatible cases
- To optimize battery life, keep OneGo in a cool, dry environment, and maintain a charging level above 25% when not in use

WARNING :
- Do not drain the battery
- Do not expose the device to water or moisture
- Extreme temperature, humidity, shock or prolonged exposure to direct sunlight should be avoided
- Do not strike, throw in fire, pierce with a nail or other sharp objects
- Do not disassemble or modify
